“ *Our condolences to Mrs. Galow&family for your loss. We pray the peace of God as you all are strengthened by our Lord and Savior continually. I met Don Galow when he started working at BARC. He was a friend and a brother with a caring heart. I would call him "John Wayne" from the way he walked and it was like he sat high in the saddle. But he would seize every moment he could in a day to express how much he love his wife and family. Rest in heaven my friend.*
