“ When I was 16 and a nurse aide at Nightingale Hospital. “Mrs Krenek” was my supervisor. She was a fabulous role model. When I went to nursing school, she was my mentor. She told me to call her any time. And I did. She would give me encouragement and support that at times I really needed. I feel that I am the nurse that I am today because of her. I am thankful to have had her in my life. God bless you all.
