“ *I am a nephew and Aunt Dorthy was one of the most sweetest sincere person to ever walk the face of this great planet.*

I'm 61 years old and been in sales for past 40 years and have met, shook hands and hung a lot of people in my life and this Christian Lady was the dearest! I have a lot of childhood memories of her and especially remember her cooking. Her fried venison, mash potatoes, thicken did gravy, pinto beans and cornbread we to die for! I love you Aunt Dorthy and you will forever hold a special place in my heart and memories ❤️

SF

I'm kind of a niece...stayed with her a lot when I was young. Oh what a beautiful warm, godly country woman. She tended me like one of her kids. I still remember her calling me to supper...fried chicken, fried potatoes, beans and cornbread. She gave me lots of warm hugs and love. She had the best smelling sheets in the world. The littlest things I will never ever forget. I love her forever. What a beautiful angel is in Gods kingdom. Country people are the best. I was blessed to loved by her and actually the whole Graham family. My second family. Love you so very much. ❤️
