“ My condolences and prayers to you all ... Thank you Susie for giving me the honor to care for your mama.... Our last night together I remember the last thing she said she called JESUS..... I knew then she was being called home Held her hand throughout the night and reassured he that all would be ok... You see , knowing Merle since I was a kidI not only saw her as a patient but as Family too... I am certain she is strolling the streets of Gold with her savior.... my last words to her , I'm leaving now ... if I can I will be back after I get some sleep.... but if you leave before I get back save a place for me

And I know she will..... Love you Merle rest now....

May the Lord bless you all and give you his peace that surpasses all understanding... Amen.....

Love ,
