“ *It was sad to hear about Uncle Edwin. I remember good times with our families so let us hope they are having more of those good times with each other in heaven. My thoughts and prayers go out to the family.*

“ *I always enjoyed visiting with Edwin at the family barbecues in Pierce and loved hearing how Marvin couldn't believe Edwin still had "naturally" jet black hair when he had gone gray so young!*

Marvin said he had wanted to come see the ranch near Austin ... I wish he could have brought him. Of course, Marvin was probably afraid I would have put him to work!

Miss you all ... and wish you well.

My thoughts and prayers are with your family.

“ *Trish, Your Dad was a wonderful person that we enjoyed visiting with everyday. And most importantly, he was a wonderful roommate for Daddy while they were both in the nursing home. I know you will miss his routine daily , because I am still missing Dad so very much. But hold on to all the wonderful memories.*
