“ My thoughts and prayers have been with all of you with the loss of your mom. Ellie and I have been friends since school days. I have many great memories of the fun we had in homemaking--lots of laughter. We were able to reconnect through the EMS as well as through our kids' friendship. I will always admire Ellie's strength and ability to accept the challenges she faced. She would do it with a smile and determination. Rest in my peace my dear friend.

“ Ms. Ellie was always a blessing to me. She was like my second mom in high school when Dawn and i were always together. She always treated me like one of her own children. She always had a huge hug for me every time i saw her over the years even after we hadn't seen each other for some time and she always loved seeing my little girl and watching her grow over the years as if she were her own granddaughter. i loved her to pieces. Ms. Ellie had spunk and character and was a wonderful person and i am grateful i had her in my life. i smile at the thought of her and her little grin she would always give me. I am saddened at her passing but know God is holding her in his arms right now and giving her peace. All of my love to Dawn, Donald, Devonna and Darren and their families. May your memories sustain you during this time.
