“ Praying for all the family. I will cherish all the memories we made. I will never forget all the good times and laughs we had together. Aunt Ella was so full of life and always had a smile on her face. I can remember driving to her and uncle Emila's house before I ever had a drivers licenses. Only about 10 years old. She always had something cooked in the kitchen. She has always been a favorite .Loved her with all my heart!!! The family reunions will not be the same with her gone. May God give you all comfort and strenght in the days ahead. Love you all!!
