“ So sad to hear this-I worked with Elloyd at Express Energy-he was definitely one of the individuals that stood out as being a genuine, honest and great all-around human. I don't understand how God picks us when it's our time-we can't question his directions-I'll have a hard time understanding this one.

*To the Canales Family-your husband and daddy talked about you guys a lot and was incredibly proud of you. Always remember he is by your side every second of every day until you are reunited. Here we say bye, but in heaven they say hello.*

*My thoughts, love and prayers are with you.*
