“ *Mr. Mac was a kind, gentle fellow and I have several very fond memories of him. He and I shared a love of watermelon and that was always a source of fun and amusement whenever Alan and I and Andrea and Mr. Mac got together. He will be greatly missed.*

“ . Please accept my deepest sympathy for your loss, Andrea. Your father was a wonderful man and I have many fond memories of him. He always made sure my car was in tip top shape when he worked at Miller's Motor company, and had some great advice for a single girl driving by herself. My Mother thought so much of him and had many kind things to say of Mr. McCann and you. There is really very few words that can be said to lessen your pain, but with time and your faith in God, your pain will fade. Andrea, you are in my prayers, God Bless you and stay strong.

Mr. Mac was one of the Greatest Generation, and a real gentleman. His humility and self-effacement mark him as one of that WWII generation. His stories of childhood and service to his country were typically about others instead of himself. I'm privileged to have known this fine man and feel we are the poorer for having lost him.
