“ My memories of Jr.'s family growing up are so precious and treasured. Aunt Annie had hot homemade bread just out of the oven dripping with butter and homemade preserves that we would eat in the backyard under the trees. Being in class all thru high school was so much fun. He always had that million-dollar smile to light the day. His legacy will live on thru his beautiful family. Till we are together again. Be comforted he was greeted by many souls gone before.

“ Emil Jr. was one of my most favorite cousins, always looking out for me. He was kind, caring, and thoughtful. He was a wonderful example of living a reverent Christian life, such a precious soul. He was very close to my dad, Alois Korenek.

Jr. was more like a brother to him than a nephew. We all loved him so very much. Praying that God will heal your broken hearts and bring you peace throughout this sorrowful time.

“ Words cannot express the love and admiration the Falcon family had for this man. He always had a smile and funny line for us. He loved his family and would give you the shirt off his back. He never let his handicap be a "handicap". He would do more than some capable men would even try to do. He was a good neighbor and friend for 30 years and we will miss him dreadfully. I feel a piece of me is missing when I look over at the house. With love always,

“ My condolences to the family at this difficult time. What a character Emil was ! He was a regular client of mine and when he'd call to schedule an appointment, he would just start talking and I had no clue who it was. When I'd ask who I was talking to, he'd say, "You don't know who this is? It's that One Legged Bohemian !" Then he'd just laugh and laugh as would I too. I will remember his laugh and sense of humor. May he be at peace now.
