“ *Being a Derby Doll, I remember the hugs and smile's Anton & Emilie always had for us. I still have the birthday card they gave me, they were so nice to allow me into their home after I graduated to catch up a few years later. Always there, after competitions no matter what time of the morning to congratulate the Dolls on a job well done. They were El Campo's couple and I am honored to say I knew them. They will be missed. Much Love and Hugs to you and your family during this difficult time.*

“ *Mrs. Sevcik was a special person and wonderful neighbor. I grew up walking down the street to visit with my mom Ann Faltysek or my grandmother Julie Maloch. We would walk in her garden, look at her canned goods in the garage and then go inside for a kolache! What great memories! I was a Derby Doll and it meant so much to have her and Mr. Sevciks support. My sincere sympathy to the whole family.*
