“ My sweet Uncle Gene, how we are all going to miss you so much. You were a wonderful uncle, back door neighbor, kind and faithful Christian. I recall visiting you in the hospital and will never ever forget your smile when I walked in the door. I wasn't prepared if you would of even recognize me. That beautiful smile while being so sick. You said, "I hurt but it's gonna be ok." We even looked at pictures on my phone. Again, I wasn't prepared if you were able. I recall giving you the sign of the cross upon your head and told you I love you. You fell asleep and began to dream about fishing which made me smile back. I didn't know it would be our last visit. I thank God for all the smiles, hugs and love you have given me over the years. May God Bless you and let the perpetual light shine upon you now and forever.

“ We will always remember the joy Uncle Gene expressed when he spoke of his grandchildren and great-children. (And, his cool sunshades at the Bubela family reunion.) He has endured a great deal in the last year and is finally at rest in the comfort of God's arms. Our hearts hurt for Aunt Leona and the family during this time of loss. We pray for comfort and fond memories during this difficult time.

“ Dear Bubela family, I have notified all of Layton's children about Gene's death. How sad they all are to hear of his struggles this past year. Scott Joanna Rachel Ursula and Wade loved him for his compassion kindness and understanding of their youth and ignorance when they all started working at the farm. They laugh at themselves for the times they spent in sheer terror of Russell and the work load it was going to require to be a member of the Raun clan at the farm. Gene was a tower of strength for Layton Russell and every fellow worker and friend who he touched in all the years of dedicated service encompassed with love at the farm..... Your family came to the rescue so many times for us. We were blessed to have you all as God's gift to our family. Gene will never be forgotten,. His memory will be treasured....
With deepest sympathy,
LAYTON Linda dale Scott Joanna Rachel Ursula Wade
