“ I am so sorry for your loss. Gene was a great hard working man and touched many lives. I wasn't done with him yet.....he was supposed to do my hard wood floors. My dear friend Judy had the pleasure of him laying her floors and she told me he was the best. I was in the process of deciding the color. I guess I am stuck with my carpet for now. May you find comfort and the strength to overcome this loss from your friends and family. Heaven welcomed another angel home! Lauren your daddy is watching over you.....  
My thoughts and prayers are with you and your family. God Bless!

“ My sympathy goes out to the Eugene Bubela family on his passing. As a former classmate of mine, he was one of the kindest souls I knew. The Class of 1973 is better because Eugene had a gentle nature to him and he was kind to all he met. RIP, Gene!!

“ We all here at Drenners Carpet, will greatly miss you Gene, you will remain in our hearts forever. Your big smile and always that hand shake, always ready to shake your hand, and talk about anything especially fishing. I wish now we could have gone together. Gene never met a stranger, our customers loved him, and would call the store and tell us what a job he did. RIP Gene...

“ Gene will be greatly missed. He was a wonderful person and a hard working individual. He recently did our floors and we were so pleased with his work. May God have him in eternal peace. He is probably doing floors in God's kingdom right now. Doing what he liked best. Our condolences to the entire family.

“ *At times like this, words seem so powerless. Yet please know "Champ" was the most sweet and gentle spoken person. He was always kind to others as well as a hard working talented man. Thanks for your genuine love for all of us and know the heartfelt sympathy that comes to you today, tomorrow and forever. May God Bless you!*
