“ To Judy and the rest of "Buck's" family members, Sad to hear about "Buck" leaving us way to early, just seem like yesterday that Buck, Judy & I shared some time shooting the breeze together. The time I spent with Buck and his family in Louise will always be special to me until the next time we meet. Frankie, Dolores, his Mom Curly and the rest of the family sure did have some good times together growing up Louise, Texas. RIP "Buck" you earned it, "Buck" & I also shared the same birth day, May 11, just a few years apart, "Buck" is also getting buried on Bernard Brezina birthday which is also on this date, August 11. So long for now "BUCK" knowing your having a GRAND TIME up there, until then, put a good word in for the rest of us,
