“ *Gene was a neighbor years ago. My daughter loved his horse that he kept next to his house. Gene was always friendly with a quick hello. Deepest sympathy to his children.*

“ *Gene lived next door to us outside of Edna when I was growing up. He had a radiator shop in front of his house. He and his wife were good friends and neighbors. I especially loved the fact he had a horse. I always wanted a horse as a child and enjoyed petting his. He had a special whistle to call his horse. I try to copy that whistle when calling my daughter's horses. Many fond memories of Gene. He was a good man. ❤️*
