“ It is hard, really hard, to lose a friend....
But the loss of a parent, well, it has no end....
Memories sustain us, and warm our heart....
And all of the laughter and joy, that played a part....
Of our growing together, all through our days,
Comforts and sustains us with its magical ways.
So, cherish the good times, and all of the love,
And take comfort in the blessings from God above.

*We are thinking of you today !
Be blessed.....camie and bill*
