“ Mrs. Cornelson was a sweet and gentle person. She tended my former home with love and honored me by keeping it as beautiful as the memory it holds for me. Each time I return to El Campo I drive by and admire the lovely yard that gave both of so much enjoyment. It it always immaculate.

God bless you Mrs. Cornelson.  
My deepest sympathy to Mr. Cornelson, Nancy, Mike and family.

“ *Mrs. Cornelson was our neighbor for many years and such a sweetheart! Anytime she was out in the yard working, she would smile and wave and every so often we would meet in the middle of the street to visit a bit. My youngest son, Travis, just adored her and would always ask to go and see her....he always came back with a treat and a grin on his face. I know she will be dearly missed. Sending hugs and prayers for peace to all!*

“ *Tab. I remember working with my grandmother in her yard growing  
up. Mowing the yard. Edging the yard. Weeding the flowerbeds.  
Enjoying the birds and squirrels. Planting flowers. She always had  
such joy in the flowers and the yard. And I think this is why I enjoy  
spending time in my yard to this day. It's not work to do yard work.  
It's enjoyable. And I remember we always took a break on hot days  
to have a Tab. I remember the pink cans to this day. And this was  
just one of the good memories we made.*
