“ *We had such a great time visiting Granny (& Grandpa & our aunts & uncles) in Louise when we were kids. Their were always so many delicious new foods to be had at Granny's House during the holidays from pistachio pudding to peach or blackberry cobblers. There was always a nice aroma of homemade bread at Granny's. We had the best summer one year at Granny's eating so many of her delicious jars of pickled okra. Thanks Granny. My daughters had fun seeing their Great Grandmother's beautiful, exotic chickens & goats. Granny (& our aunts & uncles) thank you for all the great memories!*
