“ We were "partners in crime" when we worked together and always had a good time. Whether I saw her every day or twice a year, it was like we were never apart. We picked up out mischief right away. She was such a God send to me and I will miss her like crazy. Sending love and prayers to her family. Such a terrible loss. RIP my dear friend. Love you.

I studied under Frances. I worked for the library for eight years. She was a tough teacher; but a great friend. I send my condolences to the family. She made me a better person through her knowledge.
