“ Frances was one of my dearest friends and the best inspirational spirit I will ever know. Her boisterous laugh, the way she could say the craziest things that most people could never get away with, and her strength is only a few characteristics so many of us were blessed to be around. With her quirky up beat personality , she had a way of giving so much to so many people and never asked for anything in return. I know she is at peace and I am blessed to now have the best guardian angel watching over me. My thoughts and prayers go out to the family she so dearly loved. Bye my best friend until we meet again ..

“ Although I did not know Frances personally, I have worked with Katherine, her sister for over a year and got to know Frances struggles that way. From the Unit Katherine is associated with (Rosenberg) and the office Katherine works for (Lake Jackson) our hearts and prayers go out to the family in this time of sorrow.

“ Many years ago I came to know Frances through my daughter, Farrah. I'll never forget the day I met her. She walked through the front door, marched herself across the living room floor and in a bold voice introduced herself to me with a huge smile, sparkling eyes, and joy on her face. Her self-confidence and friendliness took me by surprise. And..... she endeared herself to me instantly!

There was never a time we were together that Frances didn't have me laughing and standing in awe of her strength. She had a great love for God, and I know she relied on Him for the strength she needed through out the difficulties in her life. Frances was a hoot and also a very special young woman and a friend to so many. Frances appreciated and loved her family and friends who helped her face battles over all the years. Although Frances and I didn't see each other often, I 've been blessed having this marvelous and unique girl in my life. She was such an inspiration. My prayers are lifted up for comfort and peace for Frances' family.

Frances, you are pain-free, resting in peace, and probably dancing, singing, and spreading your joy among the angels! When it's my time, I'll see you again! Love ya, girlfriend!

“ Frances has always been a great friend to both of my daughters, Nikki and Jamie, and to me and my family. She is a true hero to me because of the way she stood up for herself and fought her health problems. She always carried a positive attitude, and she was usually always joking around and laughing about something. She could crack me up in 1 second!!! I just want her family to know that we loved her very very much and will miss her greatly. God Bless Her--

“ Twenty years ago Frances exploded into my life. I thought she was the most confident, charming and charismatic person I ever met. She quickly became one of my best friends and a friend I would cherish for the rest of my life. No one has ever made me laugh as hard as Frances. She had a sense of humor that would send shock waves around a room! I still laugh thinking of some of her funny words of wisdom and shenanigans. Aside from her crazy sense of humor, Frances shared a big heart. She never missed an occasion to celebrate it make you feel special. She must have had a storage room of thoughtful gifts that she would pick up for her friends. And when she would give a gift, it was elaborately decorated and given with a handmade card. Frances touched everyone she met and I'm so fortunate that she and I enjoyed such a long and close relationship. She was a life force and will always influence my life. My thoughts and prayers to Mrs. Reyes and the rest of Frances' lovely family.

“ Frances was one of my closest friends for the better part of my life, and I am truly saddened that we have missed out on the last few years of making funny memories together. However, I know that she is at peace now and while we all mourn her leaving us, know that she is finally free of this body and is dancing in heaven. I will always miss my friend, and am truly honored to have ever known her. She will always have a smile.

“ Frances was one of the truly genuine and loving souls I have ever had the honor of knowing. Going to school with her & her wonderful sister Kathy since Kindergarten was such a fun and memorable time. She always brought a smile to everyone's face, guaranteed. The funniest and most honest person I've ever met. I will cherish my memories of her and feel happy knowing she is at peace and smiling down on all of us.

“ Francis was known to our family and to the medical families of the Houston area as the loveliest lady, who examples the Holy Spirit, as she lives with our Lord, in the tradition of a true Madonna.

“ I have never met a person so full of life and willing to help others while all along she was the one that needed help. You would never know it because that how she was. It is very sad that she is gone, but i'm glad she is in a better place and with no pain. I know she is looking down on us with that beautiful smile of hers and she will let us know that everything is alright.

We love you and will miss you Frances...
