“ Frank Lee and I were cousins. He was always a close part of our family since I was a kid. He shared most major holidays with us for as long as I can remember. I will never forget my first visit to Eagle Lake when I was just a kid, his Mother, Father, Grandmother and Grandfather were all still alive then. It seems like yesterday that his Dad showed me how to get the eggs from the chicken coop. I had trouble waiting for the chickens to lay them. They were all wonderful people. Frank Lee and my Mother, Melrose Devenny were like brother and sister sharing there passion for flowers. It seems he was always a part of our Christmas dinner over the many years. Unfortunately I lost touch with him and was unable to locate him over the last five years. Frank Lee was one of the finest human beings I have ever known. I will miss him forever. God Bless you Frank Lee and may you rest in peace !!!!!
