“ I have just learned of Frankie's passing and am heartbroken. Frankie and I were classmates at Needville and he was always a special friend to me. I remember there were times when Frankie came to visit me in Fairchilds and once he even came by horseback. I guess he knew i would love to ride. Unfortunately, I was never able to visit with him at our class reunions. Since i moved away from Needville and I don't have a Facebook account I have a hard time keeping up with news of classmates. Frankie will be sorely missed.

“ Carolyn, Chris, and Michael, my heart goes out to your family. Mr. Cernoch was a great guy! I was very saddened to hear of his news. If it weren't for him leading the group of Boy Scouts when Chris and I were younger, I don't know how I would have gotten to be where I am today. A lot of the fundamentals that he helped guide us to learn back then, I still use to this very day. Seeing your family with him at Church growing up, let me know he was a good man that had a good family. Prayers for you all. I also wanted to let you know how blessed you were to have someone like that to call your dad and husband.

“ What a blessing and privilege to have known my friend Frankie for so long but certainly not long enough. He didn't waste words when a few would do to get his opinion and thoughts across. Carolyn, Chris and Micheal, know this was a wonderful exceptional man to have in your lives as long as you did. Again certainly not long enough but what an impact he had on you and so many more in the years he was with us. The wonders of Heaven were brightened with Frankie's entrance and the angels were there to greet him with all the rewards he received and deserved. Faith that we know to be together again gives us the peace we need at this time. Prayers for the arms of the Lord comfort you in the coming days.
Love to you all. Toodie

“ Carolyn, Christopher, and Michael. We are so sorry for your loss. It hard to lose your husband, father as well as your buddy. I can remember the time when you and Frankie went fishing with Frank (x) and I. Caught enough fish for the freezer all year. Had wonderful fish fries, BBQ's, Thanksgiving and birthday gatherings. Last year we celebrated your 43rd Wedding Anniversary with me and Richard on our 22nd Anniversary in Rosenberg. We laughed and took pictures and had a great time. Will always remember all the good times we had together. Love you all.
