“ *In a gesture of profound generosity she put me in the arms of my fantastic parents. She heroically allowed me, her third and last daughter, to go where I could thrive when she could not provide. Thank you, Frankie.*

“ Frankie was a good sister especially as we grew up in Moultrie GA. We had a close family there which endured the challenges of not having a father in our life. She and sister Sidney's support of my brother and I while we were in combat in Viet Nam was key to our survival.

Donna and Dawn are living proof of how much loving devotion to family matters.

Rest in peace my dear sister.
