“ *I was saddened to hear this morning of Gary's passing. I know he has been struggling a long time, and is now pain free. Had I known I would certainly have attended some of the services. I consider my relationship with the Cerny family more than just business, but one of almost a personal nature. because of that, I am grieved to have not been there to offer support in person. I know your faith in Jesus is strong and He will uphold you and the family. you are all in my prayers.*
