“ *I'm truly sorry for the Stogner family. He was such a wonderful man. As far as teachers &, principals go, they dont make them like him or his wife anymore. Even when we got into trouble he would always listen to your side & he was someone you could open up to. God bless you Mr Stogner & rest in peace*

“ *Mr. Stogner was a wonderful man. He was a friend to all students and I enjoyed his friendliness and his desire to get to know his students. I remember the lawnmower accident and how lucky he was and how upbeat he was in front of school kids after it had happened.*

90 years is a long time to hang around and Mr. Stogner sure got a lot done in that time.

“ *I don't know where to begin, I guess in 1950 when the Stogners and Dowden's moved to Louise right after college graduation. We were barely out of our teens and became nearly inseparable. Bill met K.G. Wendel in Shreveport while studying at Centenary College. K.G was a Hillje boy, got a coaching job in Louise and asked Bill to come as his assistant coach. Gene came as the Ag teacher.. we lived in Louise three years and moved down the road to El Campo. Gene and Sherry were always in our lives, we loved them as family, dear friends for 70 years.*

We love Michael (went to the hospital in Wharton with them at his birth), Jeff and Lisa. I grieve with you.

“ I don't believe I ever met a more genuine person than Coach Stogner. He always wanted his athletes and students to achieve their full potential and had a gift for making them believe in themselves. May he Rest In Peace and I pity the team that has to play his Heavenly Hornets, as he has quite a few good ones on his team! Wayne Robinson

“ I've known Mr. Stogner since I was a little boy running wild in Louise, when my dad and he were coaches at LHS. I have many fond memories of him and how he always had a wonderful sense of humor and some witty advice for me. He was the greatest one-armed golf player I have ever seen! Rest in Peace, Coach Stogner.

“ I'm 73 years old, and over those years I have been privileged to be associated with some great men. Coach Stogner was one of those men who has left an indelible mark on my life. Growing up in a small town like Louise was a blessing because you get to see heroes every day at school. I had lived there since 1959 and saw all the great football players who, at least to us little kids, seemed like Greek gods walking the earth. Their mentor and leader was coach Stogner who was always the gentleman, always kind and always welcomed kids to sit in the bleachers during football practice. It was great fun. No one ever heard him curse because he didn't HAVE to in order to get the player's attention. He earned and deserved respect from everyone who knew him. I would be the first to ask the Louise ISD to rename Hornet Stadium to Stogner -Memorial Stadium. It's time to rename it not only for our fallen military heroes, but for one that lived his life DAILY as a hero! Wayne Robinson, Class of 1971

“ I remember Mr. Gene when he and his wife were Teachers and Life Coaches (before that was a thing) at Louise High School. Mr. Gene was inspirational and motivated every child that he came into contact with. He was never to busy to take a moment to talk with a child that needed his attention or who just wanted to say hello. He was a pillar in the community and the world was a better place because of him. May God keep him safe in his hands and welcome him into Heaven.

“ Jeff, Mike, and Lisa, this is cousin Dale Stogner. Your father was a great guy and tremendous Uncle to Donnie and I. We were so privileged to be able to both know and enjoy him over the years. His patience, upbeat attitude, and thoughtfulness were always so appreciated. My heart goes out to you at this time. His life touched so many people in so many ways and for so many years and we will never know all of the ways he influenced so many people. He and your mother were always so loving to me. May God be with you at this time. Dale
