“ My condolences to all the family and close friends. George was a special person. Though I only knew him the past four years, each and every encounter was positive. He had a way to make you feel good and bring a smile to your face with his excellent sense of humor. He was such a hard worker and totally dedicated to making things work right in the Hastings Field. And more than anything else, very positive problem solver. I will miss not seeing him in Alvin. Denbury has lost one of the best.

“ On Wednesday, May 7th, 2014, George Resendez was laid to rest. I did not have the opportunity to meet him personally, but I had the privilege of standing beside his family, who is in essence now my family, for the last couple weeks. So thus I did have opportunity to know him through the words, tears, laughter, and memories of those he loved and who love him. Most of all through his daughter, Meli Resendez, my fiancé. May you find peace, George Resendez, and impart a measure of that peace to your loved ones left behind.

“ As a long time property owner in the Hastings Field area I had the opportunity to get to know George on a professional side and friend side. Enjoyed both. He was a good person and a joy to deal with. Enjoyed many a long winded conversation about a lot of things. He had a tremendous amount of knowledge about the a lot of things and especially the oilfield. He will be missed on a professional level and a friend level. My prayers to his family. Thank George for your help and friendship. Charlie and Audrey Holmes
