“ *We were deeply saddened to hear about the death of Uncle George. We know how difficult this is for you, the family. You are all in our thoughts and prayers. Uncle George was such a kind, gentle, and happy-go-lucky soul. We will miss him, as he was certainly one of our favorite Uncles.*

*May God bless all of you during this time.*

“ *My uncle was a kind-hearted person who worshipped his family and was a jovial person. My dad, Frank, and Uncle George were quite close, and both used laughter as their best medicine through the years.*

*My deepest sympathy to the family with God's blessing.*
