“ I remember her awesome laugh and wonderful smile. I remember her cooking a complete meal for her family every night and serving it at the table. She was a good mom. Thinking of Tracie, Debbie and Tina during this time of loss.

“ I am so very sorry to hear of Georgia's passing. She and I were cousins. We spent many summers at each others house. She was the city mouse coming to visit her country cousin mouse. We shared lots of memories with one another. I have not see her since I left El Campo, but thought of her often. My prayers and sympathy to her daughters and their families.

I have so many memories of the wonderful times Aunt Georgia and I spent together with I was growing up; especially during my college years. She was not just an aunt to me, but more like a very best friend that I could confide in. We had so much fun going to dances together, picking dew berries, and sometimes just hanging out and talking. I enjoyed her company immensely as she was so much fun to be around, the life of the party. We always gave me a good laugh when we were together. She was someone I could talk to when I was down and she always cheered me up. She was a great mom and very hard working. My prayers and sympathy goes out to Tracie, Debbie, and Tina. I feel your loss.

My sympathy to the family of Georgia. I went to school with Georgia; graduated the same year and she was always very sweet with me. I have some good memories of Georgia. May she rest in peace now.
