“ I loved Georgia it seems like a lifetime. She was a prissy lady and always looked like it even if she had been baking for four hours or mowing the yard . I can just imagine how she hated not having her hair done during this lockdown. I was so pleased when Melinda brought her to Bunny's salon to have a cut and perm. I so would have liked to have been her stylist for the last time. But the torch has been passed to Bunny now and Georgia was in excellent hands. Georgia just waited to pass over until she was looking good to meet the Lord. A very talented lady who could do anything she set her mind to. A life well lived and much loved. Toodie Brasdy

Georgia was a special lady. I don't think there was anything she couldn't do. She was my go to person for delicious pumpkin rolls and pecan pies ... no one makes pumpkin rolls like hers. Most of all I enjoyed our visits at her kitchen table. My thoughts and prayers are with the family.

“ Georgia was a jewel! When I went back to work, she watched over my boys with her grandchildren. She took them to church, to the nursing home, and many other things a grandmother would do. I will always be grateful. I admired her for her many talents and for the example of a mother & Christian woman. Her family has been blessed.

Our deepest sympathy to the family as you grieve her loss.

“ *Some of my greatest childhood memories are of spending time in the Kubala back yard. Georgia was always dressed to the nines and looking beautiful even while playing volleyball with us neighborhood kids. My heart is sad at her passing. May comfort and peace be with all the Kubala family.*
