

Gwendolin Ann Stout (Wilson)

December 14, 1956 - June 22, 2024

Gwendolin Ann Stout(Wilson), 67, of Louise, Texas, formally a Michigander, took her journey home to God, to meet her husband Steve (Fuzzy), on Saturday, June 22, 2024.

Gwen was survived by her children Stacey and Eric, Cheyenne, Carolyn and Ray, Conjetta, Steven and Laura. Also her siblings Jane, Brian, Michael and Patty, and Gary and Shar. Along with 10 wonderful grandchildren and nine wonderful great-grandchildren, whom she loved very much, as well as the many unofficially adopted children and several nieces and nephews.

She was preceded in death by her husband Fuzzy, mother Beatrice, father Donald, sisters, Sherylynn and Nita, and her brother Junior.

Mom was a dietitian by trade but above all she was a MOM. She sold Tupperware and loved her dogs. Every cross she ever owned she felt inclined to pass it on and every ounce of faith she had was infectious. Mom loved the lord. She was an advocate for him and she provided guidance for all in need. There are many things we can say from her menus, her indians, her shoes, to her chickens, the list goes on and on. When she did anything she did it wholeheartedly, and no one could stop her. As stated by many she gave it to you straight, and would say "If you don't like it tough!" Please feel free to share any memories because there are many.

The family wishes for patience and privacy at this time, and the memorial will be decided at a later date.

In lieu of donations or flowers Gwen would like you please PAY IT FORWARD.

“ Aunt Gwen and I talked often. She was always there when I needed to talk. She helped me through some really tough times. She would always tell me don't worry, everything's gonna be alright. She always had stories for me. Either about growing up and the crazy things they used to do or she would tell me about our family history. She always showed support (even from Texas) with my business and always told me how proud she was. I will miss our conversations and the love she always showed me.

“ I loved when you came to stay with my mom to visit grandma, you just lit up the whole house even if your mouth was smart. Ha. You cussed but told us that the best people say what they mean and don't filter their words. That was for sure you, we played card games and took a very blurry family picture in my moms livingroom and you made us all laugh no matter what you were talking about. You were truly a one of a kind women and will be missed so. I love you aunt gwenny! 💕💕💕🙏
