“ Lee,

You have been such an inspiration in our lives. I don't know what we are going to do without you. You have been the best husband to Delores. She has been so blessed. You have been the best father to all of your children. Your grandchildren and great-grandchildren were so lucky to call you Grandpa Lee. You were always there for us anytime we needed anything. You always told me you were just a phone call away. Can you please send me your phone number because I really need to call you? I will miss your sweet smile, your hugs, you hiding behind the door when we came to your house, the compliments you always gave me, your laugh and all your stories. I know I was your daughter-in-law, but you always treated me like a daughter. I will miss you dearly. Please know how much I love you and miss you.

*I Love You,
Kelly*

“ I'm sorry to here Hardy Lee passed away. The last time I talked to him he said he wanted to come back to Arkansas one more time. I know he didn't get to but he will always be in our hearts. We will be praying for all of you. May God Bless and keep you strong during this time.
