“ *Ann, Melissa and Russell....what a shock when I opened up Triska's obituary just now. to find such sad news, Ann I began to know Harry as I helped him many times in his banking business for many years. I learned what a great guy and family man he really was..and Ann of course I have known you for many years a sweet lady you are and Melissa you were/are always so kind and caring when I visited with you numerous times. I loved all of his family and can only remember how great a family you were/are. I am asking God to wrap his arms around all of your shoulders and to be with all of you through these tough days ahead. Again God's blessings to all of you... Bernadette*

I know you guys will miss him dearly...
