“ *I got to know Hattie when she and my mother became close friends at the Czech Catholic Home. She was there when mother moved in and she made mother's move there much easier. I loved visiting with the two of them. They were always so on top of everything that was going on.*

*I want to extend my sympathy in your time of sorrow.*

“ In loving memory of my Aunt Hattie! My fondest memories are of visiting her, my Uncle Albert and my cousins summers when they lived in Bay City and going to Matagorda Bay. The other really wonderful memories are of all the wonderful Adamcik reunions that she so dearly loved. She was one special lady and I was so lucky that she was my aunt. May you rest in peace Aunt Hattie. You will be forever missed but never forgotten.

Love ,  
Sheryl

“ In loving memory of Hattie-She made me a pretty flowered dress from the material of a feed sack while I visited during the summer at the farm with Alice and Joe. She visited us in Galveston and enjoyed the beach. Happy times traveling in the car with Hattie and Albert singing "Goodnight Irene" and laughing all the time. She enjoyed playing dominoes and attending family reunions. Hattie was very proud of her family, their accomplishments, the special love and the attention given to her the last few years. Cherished memories never fade. They continue to live on in our hearts. May God Bless!
