“ *My Sweet Lady. I remember chasing her all over HEB just to try to find her famous chili recipe, she would just laugh and would never give me her recipe. Every time I cook chili I try to cook it like her, but can't quit get that heavenly style that she had. I guess God must've wanted some of her chili she's up there cooking for Him now. God Bless her and may the perputual light shine upon her.*
