“ *What a wonderful fulfilling long life Herbert was blessed with. Kathleen , John and grandchildren , your family had such wonderful gift to have had Herbert in your lives so long to cherish all the guidance and teachings he shared with you all. Knowing what a hard working smart man he was provided a strong role model. No one wants to be without a parent or grandparent, but just knowing how many days he was here was a blessing for you. Rejoice he is well and whole again blessed with the fruits of his Christianity as he gains Heaven's rewards. A dad's love is forever and beyond to his family. Joining all the souls gone ahead was a welcoming joy for him. Prayers as you journey the path without your dad, know the faith you have and the love of the Lord will give you peace.*

“ *I will never forget, when I worked for Me Roades & every afternoon I would get him a chocolate covered vanilla ice cream bar on a stick & sneak it into him & then we would just sit around, eat our ice cream, talk, laugh & just spend time together every afternoon. He was such a sweet, kind-hearted man, who will always have a special place in my heart!*
