“ *Hollie was my pastor while he served at the Clear Lake Baptist Church in the early 1970s. I also knew his mother and sister Elaine while a member of the Frist Baptist Church of Bay City. They were a fine family and Hollie was a great person.*

“ *Dear DeLaine and family,
Just heard about Hollie's passing. Sorry for your loss. I have not seen you in a few years and did not realize you had moved to Richmond. Know you will miss Hollie now but know your meeting again will be a beautiful and wonderful day. Bless you in your time of grief. May God uphold you and strengthen you daily. You have meant much to me even though we have not seen each other in a while. You are in my prayers and thoughts.*

“ *I am grateful God crossed our paths. Even though I knew my brother Hollie a short time, I quickly came to know of his deep faith and his belief in the power of prayer. I have fond memories of his instruction on how to introduce our study of Paul's letter to the Galatians. I am praying for you DeLaine. Peace to your soul.*

“ Mrs. Briscoe and Family:

I met you and Hollie a couple of years ago at the Driver's License Office at Rosenberg. From our meeting, we became friends and Hollie skillfully prepare our tax filing for 2015. I knew him for a short time but we enjoyed our time together as we share our views about our Lord and Savior and it was very uplifting. God bless you and your family knowing that Hollie is with the Lord Jesus forever.

“ DeLaine,

We celebrate Hollie's graduation into Heaven and know that he is singing praises to Jesus even now. We will always remember Hollie's gentle, encouraging spirit and abundant thoughtfulness. We had good times together in the Lord with winter Texans at First Baptist Palacios and so appreciate Hollie's calls and prayers when our own parents were ill.

We know his passing leaves a big hole in your life and that you miss him dearly. We love you and are praying the Lord's peace and comfort for you and all of the family. Bob and Ruth

DeLaine, Hollie will be missed by all who knew him as he was such a compassionate man. We were neighbors in Bay City in 1950 and our grandparents were neighbors in Lockhart, TX before that. Jean Roberts Cadenhead

DeLaine, Sorry to learn of my favorite High School friend and singing buddies' passing, but know the choir in Heaven is brighter and better because he is singing with them now. We enjoyed being in the "Straw Hat Cats" quartet in Bay City High School and then as members of the Noon Kiwanis club as adults. Such a man of compassion! such an outstanding Christian! Prayers of God's Peace and comfort to you and the family Charles Ryan and wife Barbara
