“ I remember how much fun Irene was as a teenager. She dated by cousin, Lee Roy, and I dated her cousin, Marvin. It was so much fun double dating with them, but the time we made homemade taffy was the most fun. I lost track of Irene and was so sad to learn of her passing. I never knew her life past the teen years, but I see she blessed many lives as a P. E. teacher.

“ I am so sorry to hear of Mrs. Wilcoxen passing, I have often thought of her over the years and wondered how she was doing.

Mrs. Wilcoxen taught PE to me when I was in 4th & 5th grade at Northside Elementary. My biggest memory is when we were running relay races and I got knocked down by one of the children and she came to my aid, I had fallen on my wrist and sprained it, but she stayed by me to make sure I was ok.

She lived just down the street from me growing up on the corner of Heights and Ave. J. Sometimes I would see her or her husband and would wave to them. She was such a lovely person and she will be forever remembered by me for the kindness she has shown me.

May the memories sustain you during this difficult time, may she rest in peace.

“ *The Wilcoxen Family,*

Our deepest sympathy to you. Loved your Mom so much. She was a great P.E. teacher in El Campo and role model. She kept us all in line but always pushed us to do our best. She was also always so kind to us as we were running in and out of the house while playing baseball across the street in the open yards across from your house in El Campo. As I recall someone even busted a window out of someone's house. Not sure who's fault that was. She will be missed by all.

“ Dear Ray, Cindy, Tracy, and Harold Ray,
I was heartbroken to hear of Irene's passing. Some of my best memories are of the days that she and I were together at Northside PE. We laughed constantly. The thing I most admired about Irene was her ability to turn any situation into something positive. No matter what was happening in her life, she had a smile on her face. She will be greatly missed.

With love,
Mary Beth
