“ Beverly,
I was so sorry to receive your call telling me of your father's passing. Your daddy played such an important role in my memories of the Sullivan family gatherings with my Paw Paw and Granny Sullivan. Such sweet memories I will always cherish. May God bless you during this difficult time and may his tender arms of mercy be wrapped around you.

*Love always,

“ For several years after his retirement, Sonny drove people to the Houston airports. One morning he picked me up, and as we left town, he handed me his Bible and told me to look up a certain scripture and read it aloud. I asked him why, and he told me that everybody had one sermon in them, and he was preaching his at First Christian Church the next day.

So, I looked it up and read it. Then Sonny preached his sermon. It took him all the way to Houston to finish it, but he was taking some thoughts out, and putting new ones in. Turned out to be a pretty good sermon....

Our sincere condolences to Beverly, and all who loved Sonny. He and Lois were blessed with many, many friends.

“ Sonny will be dearly missed at the Library. He came in on a regular basis to make us smile and brighten our days. He was truly a friend and his smiles, jokes and kind heart will be greatly missed. While we will mourn his passing may he be reunited with his Lois and all those brothers of his! May God grant him peace.

“ I first met Mr. Johnson several years back through Forrest Newton. He truly lived up to his name because every time you would see him he was so pleasant & kind. I always walked away feeling good & with a smile on my face. He really was like a "ray of sunshine". El Campo has lost a true gentleman but heaven has truly gained another angel.
