“ James was a great friend of mine in High School .
Always Happy and smiling. I have lots a good memories of James.
Riding on his motorcycle to Jr. High School ,
driving around town in his El Camino, and going to Austin to see his brother Don at his music store. Good times

“ I want to express my condolences to James' entire family. But today, I want to reach out to Wendy. Wendy you unconditionally loved James and accepted him as he was - standing by him through the years. I know this is a great loss for you. May God provide comfort to you and James' family, now and in the days to come.

“ I had the privilege of meeting James on a big ranch near Menard Tx. We hit it off immediately, as we shared many of the same hobbies. We hunted wild pigs, whitetail, fished and searched for arrowheads on many trips by the San Saba River. He always had a big grin on his face when he'd arrive, we all did, because we knew we were in for another spectacular weekend! His skills on the grill and expertise in welding, amongst many other things was a regular, he was always eager to help out the ranch owner with his projects, helped me sight in my rifle, and just made it an extremely fun experience! I'm grateful for the time and experiences with him, and I want to extend my condolences to his family.
