“ I only knew James (Russell) for the fall semester as I was his WCJC English teacher, but what an impact he made in one semester. He was always smiling and respectful. He seemed to love life and be a loyal friend. He always aided class discussions and was prepared for class. It was obvious what a good person he was, and the strength of character and work ethic he exhibited were remarkable. He will be missed, but what a legacy he leaves behind. My thoughts and prayers are with the family and all his friends and classmates. May God give you continued strength and eventual peace.

“ *Mr. and Mrs. O'Canas you should give parenting lessons! I have yet to meet a young man that has impressed me as much as Russell. He was taught well by the both of you! So many parents and kids need the lessons that Russell was taught and lived so well. I just spoke with him 2 wks. ago at a BB game, he hugged my neck as usual, was so good to see him. And then he sat in the seat right below me during the game and we visited some. There are just no good words for comforting this kind of loss. Just know that he is loved by me and my family and by thousands of others in this community and will never be forgotten because of the young man he was! Iv'e been around a long time, long enough to know that yall will need help much later in the weeks, and months, and years to come. Please do not hesitate to call me day or night....I've counseled with many kids and parents through difficult situations and I'm here, just a phone call away, DAY OR NIGHT! LOVE,

I have known Russell for a long time, he was a great young man, respectful to me & had the most beautiful smile, he would always see me in the hallway at High School, & would always hug me! You'll are a great example of what a parent should be! You should be proud of the man you raised! He will be greatly missed by all who knew him especially me! Love, Ms. Mata
