“ Cindy, Donald, and the entire Wishert Family, We were so sad to hear that your Mom passed away, but I know she went straight to heaven to be with your Dad. You all took such great care of her, you should be proud. I only recently talked to her, and the love she had for all of you was amazing. She was a special lady! Daniel and Rose Pasak

“ *I remember her so well. She always had a beautiful smile on her face. She made several of my son's birthday cakes and they were always so well done I didn't want to cut them but we knew we would be missing the best part if we didn't. She is now dancing with the love of her life and her smile is even bigger and brighter. Don't cry tears of sadness because she is gone, cry tears of joy because she is where she will be the happiest. My prayers are with the family.*

“ Aunt Janie you will be greatly missed but we know you are happy and at peace now. So many childhood memories made at ya'll house. All the birthday cakes you made me and all the after bingo meals you got us if we won or brought you the winning pull tabs. Also the hug and smile we got before church in Taiton on Saturdays. Love you and miss you already.
