“ *Neci was not only my big sister but also a second mom. In our younger years we were like best friends, always hanging out together and having our Friday late night scary movie nights watching Night of the Living Dead, Elvira, vampire and werewolves and sci-fi. Oh the fun we had together even as a child her and Danny would take me to the Alamo, Sea World and the zoo like I was one of there own kids. She was hard as nails some times trying to deal with a bad hand of cards but it was her survival tool. She always was loving and kind to me and my family and I will always think of her with nothing but love. I miss you already sister! Continue to watch over us and tell everyone I said Hello!*
