“ My precious Jaydin. I will miss you and your smile so much. I feel so blessed to have had you and your family's support all last year. You know I loved you...I told you that often. I know God walks through His garden and picks the prettiest flowers and with your smile and personality I am not surprised He chose you, your brother and your Mom. I have to admit I am saddened that I will never have the opportunity to teach your brother. I can tell by the look in his eyes he loved sports and liked to joke as much as you. However, I know you three are in a better place and even happier than ever. Until we met again may your spirit of happiness be pored out on earth to influence the rest of us. Not to worry, I will lift up your family and friends back here in my prayers.

“ This precious child God has sent to us and now he's ready for him and his mom and brother to come home. Jaydin always smiled and love to play sports. My aunt Eloise was so close to him and she says me and my mom would be over that's all she talked about was jaydin. That was her baby. Then Davian came and treated him the same way with old fashion love. Yal will be truly missed. So rest til we meet again.
