“ To the entire Burriss family,
There are no words that can take away the hurt left by the loss of a love one. I only pray God's peace for you and that you will find solace in the fact that she is now in the best hands of all, God's. Your mom was always a delight and that is how I will remember her. May each of you remember the special things she brought to your life and may you keep these in your hearts. I am so glad for the Lord's timing. After being gone for so long, he brought me back home just in time to share a few special moments with her. "Sheila will be Sheila" That is what she kept repeating. I suppose that's a good thing, right? Jean, you will be truly missed by me, but I am convinced that one day, we will see each other again. Love you always,
