“ *Mrs. Prihoda is an "American Hero!" Not only was she an Amazing woman with a heart of gold; but she was also an inspiration to all who knew her! My fondest memories of her go back 50 years when we would visit and enjoy the delicious food she provided and my Dad, Edwin Paul Vecera, and Mr. Prihoda would talk about their experience in WW II. It partly motivated me to join the US Army and spend 31 years in the service and retire as a Lieutenant Colonel. Even as a young boy, I could see that the support that warfighters needed to get through the ordeal of war; was a supportive and loving spouse and family. That is why I say that Mrs. Prihoda was a True American; and in her own way -- a warfighter on the home front. She stands heard-and-shoulders above her peers and is the role model of a strong and honorable Lady. She will not be forgotten!*

“ Your mother was so friendly, kind and loveable. Both her and your father were awesome neighbors to my mother, Lorine Bubela. Like my mother, Jeralyn was a very devout Catholic and I will always treasure all she and your father shared with others. I offer my sincere sympathy to all the family. Her memory will live on through each of you as you share them with family, friends and others throughout your life. Many blessings to each of you.
