“Meloday and Chris, I am so very sorry to learn of your Dad's passing. You were blessed to have him with you all these years and will have many, many wonderful memories. Jesse, was one of a kind, always smiling, kind, and just loving people. Many years ago as my Mom (his sister Bertha) was very ill, Jesse sat by her side in the hospital talking to her & giving her strength to carry on. He also was there at the home to keep me and my brother going thru that dreadful time. He loved to go hunting at our farm and was always joking about something. I am thankful m y son & I were able to see him while we were in Texas in September 2011. As ill as he was then, he left us smiling agreeing we would meet again. My sincere sympathy to you all.

With love,
Betty Jean
