“ *I was so sorry to miss Aunt Jimmie's funeral. I wanted to hug you all and tell you how much I'll miss her. I didn't realize that I was only 7 when she married Uncle Frankie. She has always been my aunt. My favorite memory is sitting in the kitchen and watching her make cinnamon rice. Still my favorite dish and I've never had it like she made. She always let me and Carolyn tear up the house playing hide and seek. It feels like I grew up at your house. What means the most to me was that after Mama and Daddy went to the nursing home, Aunt Jimmie would come and visit them. That meant the world to me. My prayer is that you'll hold onto all the good memories and rest in the overwhelming peace of God. I am sorry for your pain now. Love you. Barbara & Karim*

“ Aunt Jimmie was a very special person and role model. She raised two sons, after my uncle's death, and then married a wonderful man with awesome children.

All of us in the Sparks family were blessed by Jimmie, Wernor and their blended family for many years.

At this sorrowful time, I ask our God to bless this family with peace, grace and acceptance of His will. I ask Him to give all of us the grace to give Aunt Jimmie and her wonderful family the acceptance of His will in their lives and in all of our lives. May His perpetual light shine upon her.

With peace and blessings from our Lord Jesus, the Christ.

“ *Your warmth and welcoming at all of the Spark's Labor Day Reunions was comforting. You made me feel part of the family while sitting around Lillian's kitchen table. I always enjoyed our meeting's because of the interest you expressed in my life. A good listener that is a rare quality in people these days. You had expressive eyes that told the truth and a smile that made me feel genuinely welcome into the family. Curtis and I often think of you and Uncle Werner. Could have, should have, would have come to see you more often. You extended many invitations.....always the gracious hostess. I will miss you and always think of you with pride and affection.*
