“ Jimmy & Sylvia our thoughts and prayers are with all of you at this difficult time. We wish we could be there. Joey will be missed deeply but remembered fondly in our memories shared. We were blessed to have been able to know him if even for a short time. He was so full of life and had a wonderful heart in how he treated others. The memories for us will be the time spent at Hume Lake watching him and Nicholas jumping in and out of the lake from the giant log. I believe that he had a wonderful experience while there and one that lives on our hearts. May the Lord give you comfort and lighten all of your hearts with fond memories of Joey.

God Bless

“ Dear Sweet Sylvia and Family
My heart is broken for you all. There are no words that will help you at this time but I can say that so many people loved Joey and your whole family. My husband always said that Joey was the friendliest person. Shook his hand every time he saw him and took the time to stop and visit. May you hold on to all the great memories because I know you have so many. God bless you and keep you.
