“ Joe had many admirable attributes but the caring he had for his family always outshone them all. Like many of his colleagues, I feel so privileged to have known Joe and called him a dear friend. Esther, Jennifer, Annabelle, Lexie and the rest of the family, even though Joe is gone much too soon, God did bless you a wonderful spirit for 62 years. May Joe Rest In Peace and the Lord continue to bless his family. You now have a special angel looking out for all of you. Until we meet again, my friend.

“ Joe was one of my older brothers. He was kind, loving and generous. Joe would help anyone who needed it. He was always there for his family. Joe could always be counted on to makes us laugh. You will be missed more than words can express. We'll try to find peace and comfort knowing you're no longer suffering and are in heaven waiting for us along with the rest of our family that have preceded you in death. And even though our family chain is broken and nothing seems the same; as God calls us one by one The Chain will link again. Until then. Rosa & Tony

“ Joe was one of my older brothers. By the time I was old enough to be able to remember things, Joe was already long gone from the house and off to college. But all of my childhood memories of Joe were that he always had a quick smile. And boy was he funny too! Sometimes I didn't get the jokes he had with my parents as they were said in Spanish, but I laughed right along with them because his deep and unique laugh always made me laugh! As an adult, Joe exemplified the kind of man, husband, father, and son that I wanted to be. He was intelligent, generous, a hard worker, and most of all, devoted to all of his family. I will miss Joe in so many ways... My only solace is that his body is no longer in pain, and he will rest peacefully now with all of our family that have preceded him in death.
