“ We have known John and Suzie for many years. We hold close to our hearts all the good times and wonderful memories we shared over these years.

We would like to express our sorrow and condolences to Suzie and her family.

You and your family will be a part of our prayers from now on.

After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, This is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. We are so deeply sorry to lose such a wonderful person and dear friend.

Love Always

“ *My sincerest condolences to you all. You have been in my thoughts and prayers. The way I saw John the most and the way I think of him now is him standing at a BBQ pit, beer in hand. Good memories.*

Rest in peace, John.
